

National Institute for Health and Care Excellence

PUBLIC HEALTH GUIDELINE – Sexually transmitted infections: condom distribution schemes

Consultation on the Draft Scope from
3 June – 1 July 2015
Comments on the Draft Scope to be submitted
no later than 5pm on 1 July 2015

Please note you may find it easier to complete this form by changing the layout of the word document to 'Draft'. You can do this by clicking "View" and selecting "Draft". If you have any queries please feel free to contact us.

Stakeholder Comments

Please use this form for submitting your comments to the Institute.

1. Please put each new comment in a new row.
2. Please insert the **section number** in the 1st column. If your comment relates to the document as a whole, please put '**general**' in this column
3. **Please note - comments forms with attachments such as research articles, letters or leaflets cannot be accepted. If comments forms do have attachments they will be returned without being read. If the stakeholder resubmits the form without attachments, it must be by the consultation deadline.**

Name:	Dr David Asboe	
Organisation:	British HIV Association (BHIVA)	
Section number Indicate section number or ' general ' if your comment relates to the whole document	Page number	Comments Please insert each new comment in a new row.
1.2	2	Locations should include HIV services plus sexual health outreach/community projects
1.3	3	Should include training for those providing condoms and should review evidence for condom provision +/- advice +/- brief interventions
1.5	3	Should include condom range, condom sizing and advice re appropriate lubricant depending on condom type
1.6	4	Secondary outcomes should include condom errors. Presumably the primary of is STI includes HIV? User outcomes should specifically include challenges to negotiating condom use

Please add extra rows as needed

Please return to: SHcondoms@nice.org.uk

NB: The Institute reserves the absolute right to edit, summarise or remove comments received on during consultation on draft scope where, in the reasonable opinion of the Institute, they may conflict with the law, are voluminous or are otherwise considered inappropriate.
