Joining forces, changing futures

Please join us on Wednesday
20th April in the Exchange
Auditorium, to hear
ViiV Healthcare's experts
discuss dolutegravir: design,
to real world experience.

A promotional
satellite symposium
organised and
sponsored by **ViiV
Healthcare**

Symposium, 22nd Annual BHIVA Conference, 2016

| | | |
|----------------|--|------------------------------|
| 18:00 18:10 | Welcome and introduction | Dr Romina Quercia - Chair |
| 18:10 18:30 | Joining forces: dolutegravir, designed to deliver | Dr James Demarest |
| 18:30 18:50 | Changing futures: dolutegravir, designed for the real world | Dr Andrew Zolopa |
| 18:50 19:00 | Q&A | All |

Prescribing Information

Triumeq® dolutegravir 50mg/abacavir 600mg/
lamivudine 300mg tablets

See Summary of Product Characteristics before prescribing. **Indication:** HIV in over 12 years and ≥ 40 kg. Screen for HLA-B*5701 prior to use. Do not use if HLA-B*5701 positive. **Dose:** one tablet once daily with or without food. **Elderly:** Limited data in 65+ yrs. **Creatinine clearance** <50 ml/min or moderate/severe hepatic impairment: Not recommended. **Contraindications:** Hypersensitivity to any ingredient. Co-administration with dofetilide. **Warnings/precautions:** Both abacavir and dolutegravir are associated with risk of hypersensitivity reactions (HSR). Do not initiate in HLA-B*5701+ or previous suspected abacavir HSR. Stop Triumeq without delay if HSR suspected. Never reintroduce any dolutegravir- or abacavir-containing product after suspected HSR. Risks of immune reactivation syndrome, osteonecrosis, increased weight, lipids, glucose. Monitor LFTs in Hepatitis B/C co-infection. Inconclusive data on relationship between abacavir and MI; minimise all modifiable CV risk factors (e.g. smoking, hypertension, hyperlipidaemia). Not recommended if dolutegravir required b.d. (with etravirine [without boosted PI], efavirenz, nevirapine, rifampicin, boosted tipranavir, carbamazepine, oxcarbazepine, phenytoin, phenobarbital and St John's Wort). Use with cladribine not recommended. Use with Mg/Al-containing antacids, calcium, multivitamins or iron requires dosage separation.

Caution with metformin: monitor renal function and consider metformin dose adjustment. Caution with ribavirin. **Pregnancy/lactation:** Not recommended. Avoid breast-feeding. **Side effects:** See SPC for details. Headache, insomnia, sleep/dream disorders, GI disturbance, fatigue, hypersensitivity, anorexia, depression, dizziness, somnolence, lethargy, malaise, cough, nasal symptoms, rash, pruritus, alopecia, arthralgia, muscle disorders, asthenia, fever, elevations of ALT, AST and CPK, blood dyscrasias, suicidal ideation or suicide attempt, rhabdomyolysis, lactic acidosis, erythema multiforme, Stevens-Johnson syndrome, toxic epidermal necrolysis. **Basic NHS costs:** 30 tablets: £798.16 EU/1/14/940/001. MA holder: ViiV Healthcare UK Ltd, 980 Great West Road, Brentford, Middlesex TW8 9GS. Further information is available from Customer Contact Centre, GlaxoSmithKline UK Ltd, Stockley Park West, Uxbridge, Middlesex UB11 1BT.

Tivicay® dolutegravir 50mg tablets

Prescribing Information

See Summary of Product Characteristics before prescribing. **Indication:** HIV in >12 years and ≥ 40 kg as part of combination therapy. **Dosing:** 50mg once daily with or without food if no proven/suspected integrase resistance. 50mg twice daily with efavirenz, nevirapine, tipranavir/ritonavir, etravirine (without boosted PI), carbamazepine, oxcarbazepine, phenytoin, phenobarbital, St John's Wort or rifampicin. **Adults with proven/suspected integrase resistance:** 50mg twice daily preferably with food. **Elderly:** Limited data in 65+ yrs. Caution in severe hepatic impairment. **Contraindications:** Hypersensitivity to any ingredient. Co-administration with dofetilide. **Warnings/precautions:** Risk of hypersensitivity reactions. Discontinue dolutegravir and other suspect agents immediately if suspected. Risks of osteonecrosis, immune reactivation syndrome. Monitor LFTs in Hepatitis B/C co-infection and ensure effective Hepatitis B therapy. Caution with metformin: monitor renal function and consider metformin dose adjustment. Use with etravirine requires boosted PI or increased dose of dolutegravir. Use with Mg/Al-containing antacids, calcium, multivitamins or iron requires dosage separation. **Pregnancy/lactation:** Not recommended. Avoid breast-feeding. **Side effects:** See SPC for full details. Headache,

GI disturbance, insomnia, abnormal dreams, depression, dizziness, rash, pruritus, fatigue, elevations of ALT, AST and CPK, hypersensitivity, suicidal ideation or suicide attempt. **Basic NHS costs:** 30 tablets £498.75 EU/1/13/892/001. MA holder: ViiV Healthcare UK Ltd, 980 Great West Road, Brentford, Middlesex TW8 9GS. Further information available from Customer Contact Centre, GlaxoSmithKline UK Ltd, Stockley Park West, Uxbridge, Middlesex UB11 1BT.

PROGRAMME SUMMARY

TUESDAY 19 APRIL 2016

| | |
|-----------|---|
| 1730–2030 | Registration open at Manchester Central |
| 1830–2030 | Hepatology highlights for the HIV Physician |

WEDNESDAY 20 APRIL 2016

| | |
|-----------|---|
| 0800–1900 | Registration and Exhibition open at Manchester Central |
| 0900–0910 | Welcome Address |
| 0910–1000 | BHIVA Plenary Session 1 |
| 1000–1100 | Janssen Satellite Symposium |
| 1100–1120 | Morning coffee |
| 1120–1220 | Gilead Sciences Satellite Symposium |
| 1220–1300 | BHIVA Review Session |
| 1300–1500 | Lunch, Workshops and Poster Presentations |
| 1310–1355 | BHIVA Lunchtime Workshops 1 and 2 |
| 1355–1455 | Bristol-Myers Squibb Pharmaceuticals Lunchtime Workshop |
| 1355–1455 | Pfizer Lunchtime Workshop |
| 1500–1530 | BHIVA Invited Lecture 1 |
| 1530–1630 | Oral Research Presentations: Session 1 |
| 1630–1700 | Afternoon tea |
| 1700–1800 | BHIVA Plenary Session 2 |
| 1800–1900 | ViiV Healthcare Satellite Symposium |
| 1900–2000 | Civic Welcome Reception |

THURSDAY 21 APRIL 2016

| | |
|-----------|--|
| 0800–1800 | Registration and Exhibition open at Manchester Central |
| 0810–0855 | SWIFT Workshop |
| 0900–1000 | MSD Satellite Symposium |
| 1000–1030 | BHIVA Invited Lecture 2 |
| 1030–1100 | MRC Clinical Trials Unit Session |
| 1100–1130 | Morning coffee |
| 1130–1300 | Oral Research Presentations: Session 2 |
| 1300–1500 | Lunch, Workshops and Poster Presentations |
| 1310–1355 | BHIVA Lunchtime Workshops 3 and 4 |
| 1355–1455 | Gilead Sciences Lunchtime Workshop |
| 1355–1455 | ViiV Healthcare Lunchtime Workshop |
| 1500–1630 | Oral Research Presentations: Session 3 |
| 1630–1700 | Afternoon tea |
| 1700–1730 | BHIVA Audit Session |
| 1730–1830 | BHIVA Plenary Session 3 |
| 2000–0030 | Gala Dinner: Manchester Town Hall |

FRIDAY 22 APRIL 2016

| | |
|-----------|--|
| 0830–1430 | Registration and Exhibition open at Manchester Central |
| 0900–1000 | Clinico-pathological Case Presentations |
| 1000–1030 | BHIVA Keynote Lecture |
| 1030–1100 | Morning coffee |
| 1100–1200 | Oral Research Presentations: Session 4 |
| 1200–1230 | Oral Poster Presentations |
| 1230–1430 | Lunch, Workshops and Poster Presentations |
| 1240–1325 | BHIVA Lunchtime Workshop 5 |
| 1240–1325 | FHIVA Lunchtime Workshop |
| 1325–1425 | MSD Lunchtime Workshop |
| 1430–1445 | BHIVA Prizes and Awards Ceremony |
| 1445–1515 | BHIVA Invited Lecture 3 |
| 1515–1615 | BHIVA Plenary Session 4 |
| 1615 | Close |

ANNUAL CONFERENCE PROGRAMME

TUESDAY 19 APRIL 2016

1730–1830 Registration and arrival refreshments

1830–2030 **Hepatology highlights for the HIV Physician** Exchange Auditorium, Level OneSupported by    *Sponsors do not have any involvement in speaker selection or content of this session.*1830–1835 **Welcome address**

Chairs: Dr Sanjay Bhagani

Royal Free London NHS Foundation Trust

Dr Andy Ustianowski

*North Manchester General Hospital*1840–1915 **Update on new and upcoming DAA treatment regimens for HCV**

Dr Andy Ustianowski

*North Manchester General Hospital*1915–1945 **Short-duration DAA therapy, DAA resistance**

Dr Graham Cooke

*Imperial College Healthcare NHS Trust, London*1945–2015 **HBV – role of new agents and non-viral liver disease in HIV**

Dr Patrick Kennedy

*Barts and The London School of Medicine and Dentistry*2015–2030 **Panel Discussion:****Availability of DAAs and BHIVA Co-infection treatment guidelines**

WEDNESDAY 20 APRIL 2016

1100–1120 Morning Coffee

1120–1220 **Gilead Sciences Satellite Symposium** (please see page 15 for further information)

ANNUAL CONFERENCE PROGRAMME

WEDNESDAY 20 APRIL 2016

◀ All sessions will be held in Exchange Auditorium unless otherwise stated ▶

1220–1300

BHIVA Review Session

Chair: Dr Duncan Churchill

Royal Sussex County Hospital, Brighton

Translating recent research into clinical practice

Dr Iain Reeves

Homerton University Hospital, London

1300–1500

Lunch, Workshops and Poster Presentations

1310–1355

BHIVA Lunchtime Workshop 1 Exchange Room 1, Level Two

Difficult pharmacology case presentations

Chairs: Dr Marta Boffito

Chelsea and Westminster Hospital, London

Professor Saye Khoo

University of Liverpool

Polypharmacy & polypathology

Dr Alessia Dalla Pria

Chelsea and Westminster Hospital, London

A little bit of luck goes a long way

Dr Sally Jewsbury

Central Manchester NHS Foundation Trust

Past-pointing at the diagnosis

Dr Mimie Chirwa

Chelsea and Westminster Hospital, London

1310–1355

BHIVA Lunchtime Workshop 2 Exchange Room 2 & 3, Level Two

Chair: Mr Paul Clift

King's College Hospital NHS Foundation Trust, London

UK-CAB Community Workshop: What does HIV-positive mean in an age of virus undetectability

Ms Fabiola Bayavuge

Black Health Agency (BHA)

Mr Robert James

Birchgrove

Dr Iain Reeves

Homerton University Hospital, London

Dr Lisa Thorley

UK Community Advisory Board

1355–1455

Bristol-Myers Squibb Pharmaceuticals Lunchtime Workshop Exchange Room 4 & 5, Level Two

(see page 15 for further information)

1355–1455

Pfizer Lunchtime Workshop Exchange Room 6 & 7, Level Two

(please see page 15 for further information)

1500–1530

BHIVA Invited Lecture 1

Chair: Dr Annemiek de Ruiter

St Thomas' Hospital, London

HIV in Eastern Europe

Dr Claire Thorne

UCL Institute of Child Health, London

ANNUAL CONFERENCE PROGRAMME

WEDNESDAY 20 APRIL 2016

1530–1630

Oral Research Presentations: Session 1

HIV care and service development

Chairs: Professor Caroline Sabin

University College London

Dr Gabriel Schembri

Manchester Centre for Sexual Health

1530–1540 Abstract O1

Non-AIDS mortality among people diagnosed with HIV in the era of highly-active antiretroviral therapy compared to the general population: England and Wales, 1997–2012
Miss Sara Croxford, Public Health England

1540–1550 Abstract O2

Quality of HIV care in the United Kingdom is excellent and improving: over 80% of diagnosed patients are virologically suppressed
Dr Valerie Delpuch, Public Health England

1550–1600 Abstract O3

A national nurse-led audit of the standards for psychological support for adults living with HIV
Miss Michelle Croston, North Manchester General Hospital

1600–1610 Abstract O4

Managing the menopause in women living with HIV: a survey of general practitioners and practice nurses
Dr Mimie Chirwa, Chelsea and Westminster Hospital, London

1610–1620 Abstract O5

HIV treatment information and advocacy 2014/15: continued demand for community support services
Mr Robin Jakob, HIV i-Base

1620–1630 Abstract O6

HIV stigma and discrimination in primary care
Dr John Forni, ViiV Healthcare UK Ltd

1630–1700

Afternoon Tea

1700–1800

BHIVA Plenary Session 2

Chairs: Mrs Sheila Morris

Western General Hospital, Edinburgh

Dr Ed Wilkins

North Manchester General Hospital

Cost-effectiveness of ART as prevention

Dr Valentina Cambiano
University College London

Testing strategies for HIV and HCV: similarities and differences?

Dr Chloe Orkin
Barts Health NHS Trust, London

1800–1900

ViiV Healthcare UK Satellite Symposium (please see page 16 for further information)

1900–2000

Civic Welcome Reception (please see page 21 for further details)
Exchange Hall, Level One, Manchester Central

ANNUAL CONFERENCE PROGRAMME

THURSDAY 21 APRIL 2016

0800–1800

Registration open at Manchester Central

◀ All sessions will be held in Exchange Auditorium unless otherwise stated ▶

0810–0855

Supporting Women with HIV Information Network (SWIFT) Workshop

Exchange Room 1, Level Two

Chair: Dr Yvonne Gilleece

Royal Sussex County Hospital, Brighton

The future for women living with HIV

Dr Yvonne Gilleece

Royal Sussex County Hospital, Brighton

Miss Laura Kwardem

Ourspace, Peterborough

Miss Angelina Namiba

Salamander Trust

Dr Shema Tariq

Mortimer Market Centre, London

0900–1000

MSD Ltd Satellite Symposium (please see page 16 for further information)

1000–1030

BHIVA Invited Lecture 2

Chair: Dr Laura Waters

Mortimer Market Centre, London

Anal cancer prevention strategies including screening for HPV-related diseases in HIV-positive patients

Professor Charles Lacey

University of York

1030–1100

MRC Clinical Trials Unit Session

Chair: Dr Ian Williams

Central & North West London NHS Foundation Trust

Evidence from the START trial and sub-studies: impact of early ART initiation on end-organ disease and other serious non-AIDS-defining conditions

Dr Alejandro Arenas-Pinto

MRC Clinical Trials Unit, London

1100–1130

Morning Coffee

1130–1300

Oral Research Presentations: Session 2

Clinical and pathological

Chairs: Professor Mark Bower

Chelsea and Westminster Hospital, London

Professor Clifford Leen

Western General Hospital, Edinburgh

1130–1140 Abstract O7

Outcomes of autologous stem cell transplantation in patients with relapsed/refractory HIV-associated lymphoma

Dr Ramya Ramaswami, Chelsea and Westminster Hospital, London

1140–1150 Abstract O8

HPV vaccination acceptability, uptake and completion in younger men who have sex with men in an HIV-positive cohort

Dr John McSorley, London North West Healthcare NHS Trust

1150–1200 Abstract O9

Prevalence, type and factors associated with HPV infection at multiple sites in young HIV-positive MSM

Dr Corinna Sadlier, St James's Hospital, Dublin, Ireland

ANNUAL CONFERENCE PROGRAMME

THURSDAY 21 APRIL 2016

1200–1210 Abstract O10

Healthy HIV-1-seropositive individuals have impaired alveolar immunity despite highly active antiretroviral therapy

Dr Paul Collini, University of Sheffield

1210–1220 Abstract O11

Interventions to improve screening for latent TB: effectiveness and outcomes

Dr Karen Rogstad, Sheffield Teaching Hospitals NHS Foundation Trust

1220–1230 Abstract O12

Brain MRI changes associated with poorer cognitive function despite suppressive antiretroviral therapy

Dr Jonathan Underwood, Imperial College London

1230–1240 Abstract O13

What is the overlap between HIV and shigellosis epidemics in England?

Dr Keerthi Mohan, Public Health England

1240–1250 Abstract O14

Ledipasvir/sofosbuvir for 6 weeks in HIV-infected patients with acute HCV infection

Professor Mark Nelson, Chelsea and Westminster Hospital, London

1250–1300 Abstract O15

Relapse of multicentric Castleman's disease following rituximab-based therapy in 82 PLWH

Dr Alessia Dalla Pria, Chelsea and Westminster Hospital, London

1300–1500

Lunch, Workshops and Poster Presentations

1310–1355

BHIVA Lunchtime Workshop 3 Exchange Room 1, Level Two

Chair: Dr Orla McQuillan

Central Manchester University Hospitals NHS Foundation Trust

HIV Clinical Dashboard

Dr Valerie Delpech

Public Health England

1310–1355

BHIVA Lunchtime Workshop 4 Exchange Room 2 & 3, Level Two

Chair: Dr Mas Chaponda

Royal Liverpool University Hospital

Contributing to the peer community: what are the opportunities and challenges for new consultants?

The path from Consultant to research, mobile apps, Chair of website working group

Dr Gabriel Schembri

Manchester Centre for Sexual Health

The path from Consultant to Conferences Subcommittee Chair

Dr Chloe Orkin

Barts Health NHS Trust, London

The path from Consultant to research

Dr Julie Fox

Guy's & St Thomas' NHS Foundation Trust, London

1355–1455

Gilead Sciences Lunchtime Workshop Exchange Room 4 & 5, Level Two

(please see page 16 for further information)

1355–1455

ViiV Healthcare UK Lunchtime Workshop Exchange Room 6 & 7, Level Two

(please see page 16 for further information)

ANNUAL CONFERENCE PROGRAMME

THURSDAY 21 APRIL 2016

1500–1630

Oral Research Presentations: Session 3

HIV testing and prevention

Chairs: Dr Orla McQuillan

Central Manchester University Hospitals NHS Foundation Trust

Dr Ann Sullivan

Chelsea and Westminster Hospital, London

1500–1510 Abstract O16

Does the new migrant “jungle” camp in Calais meet the minimum standards for sexual and reproductive health in an emergency situation set down by the inter-agency working group (IAWG) in reproductive health?

Dr Fionnuala Finnerty, Brighton & Sussex University Hospitals NHS Trust

1510–1520 Abstract O17

Factors associated with undiagnosed HIV infection among people who inject drugs in England, Wales and Northern Ireland, 2005–2014

Dr Vivian D Hope, Public Health England

1520–1530 Abstract O18

Condomless sex in HIV-diagnosed men who have sex with men in the UK: prevalence, correlates, and implications for HIV transmission

Ms Marina Daskalopoulou, University College London

1530–1540 Abstract O19

Self-testing for HIV: initial experience of the UK's first kit

Dr Michael Brady, King's College Hospital, London

1540–1550 Abstract O20

Are laboratory specialties recommending HIV testing for suggestive results and is anyone listening?

Dr Owen Seddon, University Hospital of Wales, Cardiff

1550–1600 Abstract O21

Reducing the barriers to HIV testing – a simplified consent pathway increases the uptake of HIV testing in a high-prevalence population

Mr Joel Paparello, Guy's and St Thomas' NHS Foundation Trust, London

1600–1610 Abstract O22

A calculation of the financial impact of opt-out HIV testing in a London Emergency Department (ED)

Dr Hannah Alexander, King's College Hospital, London

1610–1620 Abstract O23

The Pre-exposure Prophylaxis (PrEP) Clinic at a central London sexual health service – the first 6 weeks

Dr Martina Toby, Chelsea and Westminster Hospital, London

1620–1630 Abstract O24

Baseline predictors of HIV Infection in the no-PrEP group in the PROUD trial

Dr Monica Desai, Public Health England

1630–1700

Afternoon Tea

1700–1730

BHIVA Audit Session

Chair: Dr Andrew Freedman

Cardiff University School of Medicine

Does adjustment for patient mix affect the results of the BHIVA National Audit 2015?

Professor Margaret May

University of Bristol

ANNUAL CONFERENCE PROGRAMME

THURSDAY 21 APRIL 2016

1730–1830

BHIVA Plenary Session 3

Chairs: Dr Iain Reeves

Homerton University Hospital, London

Dr Andy Ustianowski

North Manchester General Hospital

Managing steroids and antiretroviral therapy

Dr Laura Waters

Mortimer Market Centre, London

HIV and the lung: bronchiectasis, COPD, LIP – the facts

Dr Rashida Ferrand

Biomedical Research and Training Institute, Harare, Zimbabwe

NAFLD (Non-alcoholic fatty liver disease): an emerging problem

Dr Lucy Garvey

Imperial College Healthcare NHS Trust, London

This educational session is funded by an independent educational grant from ViiV Healthcare. ViiV Healthcare does not have any involvement in speaker selection or content of this session.

1945

Drinks Reception and Gala Dinner (please see page 21 for further details)

Manchester Town Hall

FRIDAY 22 APRIL 2016

0830–1430

Registration open at Manchester Central

◀ All sessions will be held in Exchange Auditorium unless otherwise stated ▶

0900–1000

Clinico-pathological Case Presentations

Chairs: Professor Sebastian Lucas

Guy's and St Thomas' Hospital NHS Foundation Trust, London

Dr Ula Mahadeva

Guy's and St Thomas' Hospital NHS Foundation Trust, London

An unusual cause of abdominal swelling in an HIV-positive man

Dr Amy Baggot

Leeds Teaching Hospitals NHS Trust

IL6 be damned!

Dr Charles Williams

St George's Healthcare NHS Trust, London

A difficult case of encephalitis

Dr Alvin Sornum

Imperial College Healthcare NHS Trust, London

Lymphadenopathy, HIV test or FNA first?

Dr Rebecca Thomson-Glover

Countess of Chester Hospital NHS Trust

1000–1030

BHIVA Keynote Lecture

Chair: Dr Chloe Orkin

Barts Health NHS Trust, London

DIY testing

Dr Alison Rodger

University College London

Dr Michael Brady

King's College Hospital, London

ANNUAL CONFERENCE PROGRAMME

FRIDAY 22 APRIL 2016

1030–1100

Morning Coffee

1100–1200

Oral Research Presentations: Session 4

Antiretroviral therapy

Chairs: Dr David Chadwick

James Cook University Hospital, Middlesbrough

Professor Lucy Dorrell

University of Oxford

1100–1110 Abstract O25

Impact of timing of ART on HIV DNA; findings from HEATHER, an observational cohort study

Dr John Thornhill, Imperial College London

1110–1120 Abstract O26

Factors associated with virological rebound in patients receiving protease inhibitor monotherapy in the PIVOT trial

Professor David Dunn, MRC Clinical Trials Unit at UCL

1120–1130 Abstract O27

Impact of regional ARV prescribing guidance on choice of first-line therapy

Mr Neal Marshall, Royal Free London NHS Foundation Trust

1130–1140 Abstract O28

Cost impact of an HIV MDT for managing anti-retroviral switch

Dr Farnaz Dave, North Manchester General Hospital

1140–1150 Abstract O29

Reducing prescribing errors in a large HIV outpatient clinic using feedback strategies to improve prescribers' awareness of their prescribing behaviour

Mr Asim Ali, Guy's and St Thomas' NHS Foundation Trust, London

1150–1200 Abstract O30

Real-world persistence with antiretroviral therapy for HIV in the United Kingdom: a multicentre retrospective cohort study

Dr Joseph Lewis, Royal Liverpool University Hospital

1200–1230

Oral Poster Presentations

Chairs: Dr Adrian Palfreeman

Leicester Royal Infirmary

Dr Laura Waters

Mortimer Market Centre, London

1230–1430

Lunch, Workshops and Poster Presentations

1240–1325

BHIVA Lunchtime Workshop 5 Exchange Room 1, Level Two

Chairs: Dr Margaret Kingston

Central Manchester University Hospitals NHS Foundation Trust

Dr Nicola Mackie

Imperial College Healthcare NHS Trust, London

Pregnancy and breastfeeding case presentations

HIV-2: what to do?

Dr Adam Croucher

Homerton University Hospital, London

Always best to double check!

Dr Elizabeth Williams

Barts Health NHS Trust, London

ANNUAL CONFERENCE PROGRAMME

FRIDAY 22 APRIL 2016

- Liv^{er}ing on the edge**
Dr Adele Wolujewicz
Liverpool Centre for Sexual Health
- 1240–1325** **FHIVA Lunchtime Workshop** Exchange Room 2 & 3 Level Two
Chair: Dr David Asboe
Chelsea and Westminster Hospital, London
- Managing HIV in people with cognitive deficit**
Dr Alexander Margetts
Central and North West London NHS Foundation Trust
- Ms Esther McDonnell**
Chelsea and Westminster Hospital, London
- Mr Shaun Watson**
Chelsea and Westminster Hospital, London
- 1325–1425** **MSD Lunchtime Workshop** Exchange Room 4 & 5
(please see page 16 for further information)
- 1430–1445** **BHIVA Prizes and Awards Ceremony**
Chairs: Dr David Asboe
Chelsea and Westminster Hospital, London
- Dr Adrian Palfreeman**
Leicester Royal Infirmary
- 1445–1515** **BHIVA Invited Lecture 3**
Chair: Dr Adrian Palfreeman
Leicester Royal Infirmary
- New approaches to limit immune activation**
Dr Turner Overton
University of Alabama at Birmingham, USA
- This educational lecture is funded by an independent educational grant from ViV Healthcare. ViV Healthcare does not have any involvement in speaker selection or content of this lecture.*
- 1515–1615** **BHIVA Plenary Session 4**
Chairs: Dr Katherine Ajdukiewicz
North Manchester General Hospital
- Professor Brian Angus**
University of Oxford
- Role of nucleoside-sparing approaches**
Professor Mark Nelson
Chelsea and Westminster Hospital, London
- Emerging toxicities of antiretroviral therapy**
Dr Duncan Churchill
Royal Sussex County Hospital, Brighton
- 1615** **Close by the Chair of the British HIV Association**
Dr David Asboe
Chelsea and Westminster Hospital, London

SATELLITE SYMPOSIA AND SPONSORS' LUNCHTIME WORKSHOPS

WEDNESDAY 20 APRIL 2016

*All Satellite Symposia will be held in Exchange Auditorium
and Sponsors' workshops will be held in Exchange Room 4 & 5 and 6 & 7*

1000–1100

Janssen Satellite Symposium

NRTI minimisation? – Evidence review and a scientific exchange

Dr Ed Wilkins

North Manchester General Hospital, UK

Dr Chloe Orkin

Barts Health NHS Trust, London

1120–1220

Gilead Sciences Satellite Symposium

Stepping beyond: Managing tomorrow's HIV patients today

The 216,262,500-step journey

Considerations for a long and healthy life with HIV

Dr Anton Pozniak

Chelsea and Westminster Hospital, London

Changing pace

Exploring the current treatment paradigm

Dr Mas Chaponda

Royal Liverpool University Hospital

Stepping beyond today

Novel therapies and patient outcomes in the real world

Dr Anthony Mills

Tony Mills Medical Practice, Los Angeles, California, USA

1355–1455

Bristol-Myers Squibb Pharmaceuticals Lunchtime Workshop Exchange Room 4 & 5, Level Two

HIV/HCV co-infection: the way forward

Chair: Dr Sanjay Bhagani

Royal Free London NHS Foundation Trust

Disease and treatment evolution in HIV/HCV co-infection

Professor Clifford Leen

Western General Hospital, Edinburgh

Current recommendations – evidence from clinical trials and real-world data

Dr Yvonne Gilleece

Royal Sussex County Hospital, Brighton

The importance of DDIs in clinical practice

Professor David Back

University of Liverpool, UK

1355–1455

Pfizer Lunchtime Workshop Exchange Room 6 & 7, Level Two

The Great Debate: Optimising access to vaccination

Chair: Professor Anna Maria Geretti

University of Liverpool

Guest speakers from primary and secondary care

This workshop is organised and funded by Pfizer Ltd.

SATELLITE SYMPOSIA AND SPONSORS' LUNCHTIME WORKSHOPS

WEDNESDAY 20 APRIL 2016

1800–1900

ViiV Healthcare UK Satellite Symposium

Joining forces, changing futures

Welcome and introduction

Chair: Dr Romina Quercia

ViiV Healthcare

Joining forces: dolutegravir, designed to deliver

Dr James Demarest

ViiV Healthcare

Changing futures: dolutegravir, designed for the real world

Dr Andrew Zolopa

ViiV Healthcare

THURSDAY 21 APRIL 2016

0900–1000

MSD Satellite Symposium

The Great ART debate

Chair: Jonathan Dimbleby

Broadcaster

Panel: Dr Marta Boffito

Chelsea and Westminster Hospital, London

Dr Mark Lawton

Royal Liverpool University Hospital

Professor Mark Nelson

Chelsea and Westminster Hospital, London

Dr Andrew Ustianowski

North Manchester General Hospital

Dr Laura Waters

Mortimer Market Centre, London

1355–1455

Gilead Sciences Lunchtime Workshop Exchange Room 4 & 5, Level Two

Getting to the bones of it - Bone health: What you need to know

Chair: Dr Alan Winston

Imperial College Healthcare NHS Trust, London

Speaker: Dr Karen Walker-Bone

University of Southampton

1355–1455

ViiV Healthcare UK Lunchtime Workshop Exchange Room 6 & 7, Level Two

HIV in 2016: Where's the pill for societal stigma?

Chair: Mr Robert Fieldhouse

BASELINE

This workshop will consist of five people living with HIV in the UK

FRIDAY 22 APRIL 2016

1325–1425

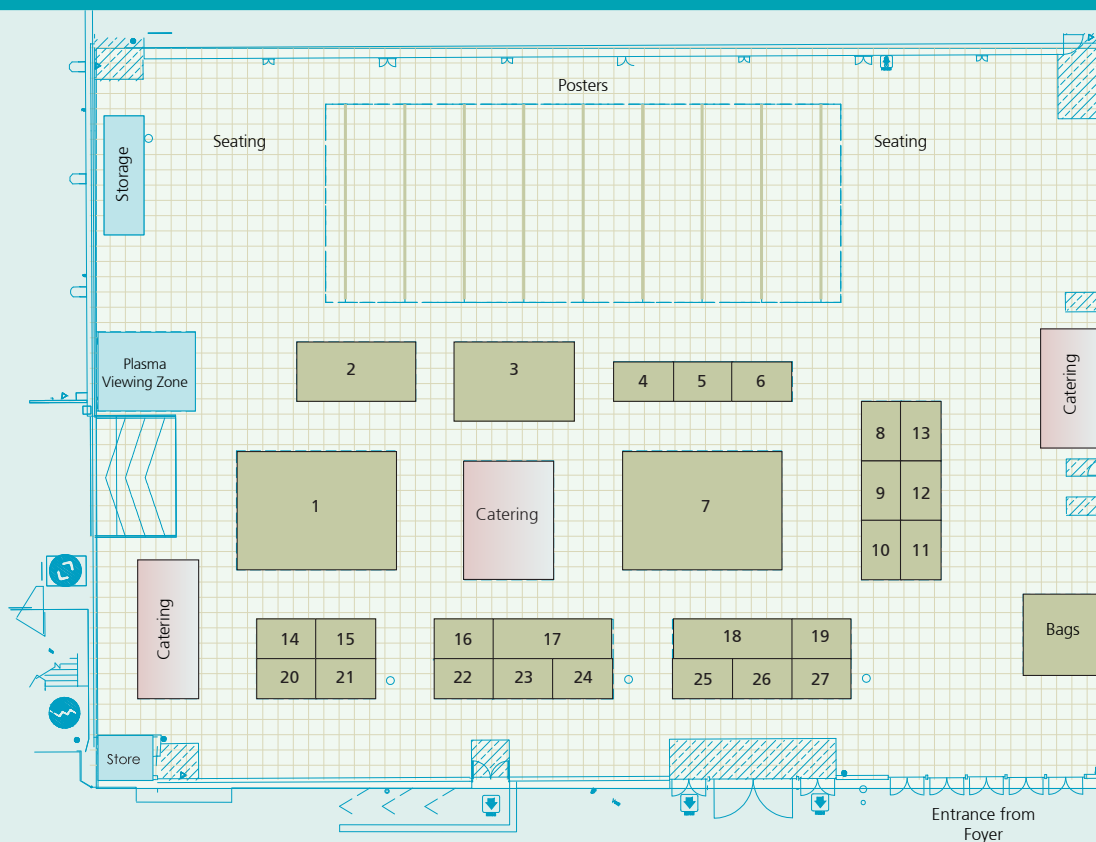

MSD Lunchtime Workshop Exchange Room 4 & 5, Level Two

From ideas to implementation: Improving the HIV patient pathway

Led by Paul Dawson, Fluxx

EXHIBITION FLOOR PLAN AND EXHIBITORS

Manchester Central

CONFERENCE INFORMATION

Manchester Central

Windmill Street · Manchester · M2 3GX

Telephone: +44 (0)161 834 2700 · www.manchestercentral.co.uk

Registration

Registration includes access to all scientific sessions, including satellite symposia, the exhibition area, refreshments and lunch for the days specified in your registration acknowledgement correspondence.

Delegate badges

Badges must be worn at all times to gain access to the lecture theatre, catering and exhibition areas. The delegate lanyards have been sponsored by Gilead Sciences.

Accompanying persons *Pre-booked and paid only*

Accompanying persons' fees include attendance at the Civic Welcome Reception and Gala Dinner. Each event is individually priced. These tickets must have been requested and paid for in advance of the conference. Please note that these fees do not cover attendance at the scientific sessions, exhibition or catering areas of the conference.

BHIVA Lunchtime Workshops

Places are limited and will be restricted to 80 delegates per workshop. Places at each workshop will be available onsite, on a first-come, first-served basis, at the door of the Lunchtime Workshop. Doors will open 15 minutes prior to the start of each workshop. Each workshop will begin promptly and lunch packs will be provided for delegates attending these sessions, where indicated.

Hepatology highlights for the HIV Physician

For the first time, BHIVA will be holding an HIV and Hepatitis Co-infection session from 1830–2030 on Tuesday 19 April 2016, covering the hepatology highlights from AASLD/EASL.

Continuing Professional Development (CPD)

Medical staff in career grade posts who are enrolled with one of the Royal Medical Colleges for Continuing Professional Development will be entitled to receive CPD credits at the rate of one CPD credit per conference hour (exclusive of travel, refreshments, pharmaceutical-supported sessions and social events). The unique reference code for the conference is 102242. The entire conference has been allocated 18 CPD credits. Please be advised that the attendance list of the conference will be forwarded to the Royal College of Physicians upon request.

Social events

There are two social events: a Civic Welcome Reception (Wednesday) to be held at Manchester Central and a Gala Dinner (Thursday) to be held at Manchester Town Hall. You will require a ticket to gain entry to the Gala Dinner. Please refer to page 21 of this programme for full details of the social events. If you have reserved a ticket but find that you cannot attend, please let the Conference Organiser know as soon as possible and return your ticket to the Registration Desk at your earliest convenience.

Poster presentations

All poster boards will be numbered and poster presenters should use the board displaying the number allocated to their poster. The poster judges will review the posters and subsequently select 15 posters to be highly commended, out of which six will be presented as part of the Oral Research Poster Presentations session at 1200–1230 on Friday 22 April. Poster presenters are required to prepare a few slides prior to the conference to highlight the main points of their poster. We would encourage all poster presenters to check the Registration notice board at 1730 on Thursday 21 April to see whether they have been selected. The BHIVA Ian Williams Best Poster prize will be awarded at the Prizes and Awards Ceremony on Friday 22 April at 1430–1445.

CONFERENCE INFORMATION

Oral research presentations

Oral research presenters are reminded to ensure they bring their oral research presentation slides to the conference in addition to sending them to the Conference Organisers in advance. Any slides must be passed to the audio-visual technicians in the Speakers' Preview Area located in the Exchange Foyer, Level One in good time for their session (minimum 3 hours in advance). Oral research presenters may make use of the Speakers' Preview Area to review their slides prior to presentation. The BHIVA Margaret Johnson Best Oral Presentation prize will be awarded at the Prizes and Awards Ceremony on Friday 22 April at 1430–1445.

Accommodation

Please note that the registration fee does not include accommodation. If you have not already arranged accommodation you can do so by referring to the conference website for further details. It is very important to book accommodation early as rates will increase significantly nearer the time of conference.

WiFi

Free WiFi access will be available throughout the conference venue.

Cloakroom

A manned cloakroom is available onsite at the Exchange Foyer, Level Zero of Manchester Central. All belongings are left at the owner's risk. The British HIV Association does not accept responsibility for the loss of, or damage to, delegates' personal property stored in the cloakroom area.

Exhibition

The exhibition represents an integral element of the conference, providing participants with an excellent platform for networking as well as an opportunity to gain further insight into cutting-edge technology, the latest healthcare solutions, and services within the field of HIV and GU medicine. Entrance to the exhibition hall is free for all registered delegates.

Filming and photography

Please note that all BHIVA sessions held in the lecture theatre (Exchange Auditorium) will be filmed and uploaded to the BHIVA websites following the event. In addition, some still photography will take place at the conference. This will include general coverage of registration, exhibition and workshop areas, as well as conference social events. This material may be published in BHIVA publications or on the BHIVA website.

SCHOLARSHIPS AND AWARDS

The BHIVA Margaret Johnson Best Oral Research Presentation

This prize will be awarded to the presenter of the best oral research presentation during the conference. All oral research presentations will be judged by a BHIVA-appointed oral research judging panel, and to be eligible for this prize the presenter must be of junior grade (sub-consultant or equivalent). The prize will be presented at the Prizes and Awards Ceremony on Friday 22 April.

The BHIVA Ian Williams Best Poster Presentation

This prize will be awarded to the presenter of the best poster research presentation during the conference. All poster research presentations will be judged by a BHIVA-appointed poster research judging panel, and to be eligible for this prize the presenter must be of junior grade (sub-consultant or equivalent). The prize will be presented at the Prizes and Awards Ceremony on Friday 22 April.

The BHIVA Best Case Presentation

A prize will be awarded to the presenter of the best case presentation as part of the BHIVA Lunchtime Clinico-pathological, Difficult pharmacology, and Pregnancy and breastfeeding case presentations workshops. The prizes will be presented at the Prizes and Awards Ceremony on Friday 22 April.

Commended Oral Presentations

Up to three awards will be presented in recognition of the best oral research presentations during the conference. To be eligible for these prizes the presenter must be of junior grade (sub-consultant or equivalent). All oral presentations will be judged by a BHIVA-appointed oral research judging panel. The awards will be acknowledged during the Prizes and Awards Ceremony on Friday 22 April.

Commended Poster Presentations

Up to 15 awards will be presented in recognition of the best poster research presentations during the conference. All poster research presentations will be judged by a BHIVA-appointed poster research judging panel. The prizes will be awarded at the end of Thursday 21 April. The awards will be acknowledged during the Prizes and Awards Ceremony on Friday 22 April.

Mediscript Awards in collaboration with BHIVA

Two prizes will be awarded for the best oral or poster research presentation during the conference in the field of social sciences and community-based work. The awards will be presented at the Prizes and Awards Ceremony on Friday 22 April.

BHIVA Science Scholarships

Science Scholarships have been awarded to 10 researchers and scientists whose abstracts have been accepted for presentation. All registration fees, a contribution towards travel expenses and accommodation costs are paid by BHIVA to successful candidates.

BHIVA Registration Scholarships

Registration Scholarships have been awarded to up to 10 delegates who are either healthcare professionals who are retired, not working, or employed in a part-time or equivalent capacity, or who are students involved in full-time undergraduate or postgraduate work. The scholarship covers the conference registration fee.

BHIVA Community Registration Support

BHIVA has supported the registrations of approximately 40 delegates from community organisations in order to assist them with attending the conference.

BHIVA Community Scholarships

Community Scholarships have been awarded to 12 UK-based community registrants to assist them to attend the conference. For those applicants selected, all registration fees and a contribution towards expenses and accommodation costs are paid by BHIVA.

BHIVA Registration Scholarships in collaboration with ViiV Healthcare UK

ViiV Healthcare in collaboration with the British HIV Association (BHIVA) have supported 28 scholarships to assist healthcare professionals (BHIVA members) to attend the 22nd Annual BHIVA Conference, covering the delegate's conference registration fee. The winners were allocated by BHIVA on a first-come, first-served basis.

BHIVA Junior Registration Scholarships

BHIVA have supported 30 registration scholarships for UK-based non-consultant healthcare professionals who work in the field of HIV medicine. Applications were invited from junior doctors, nurses (Band 1-4), junior pharmacists and non-clinical junior researchers to attend the 22nd Annual BHIVA Conference. The scholarship covers a delegate's conference registration fee.

SOCIAL EVENTS

Civic Welcome Reception

Manchester Central

Wednesday 20 April 2016: 1900–2000

Manchester Central is an award-winning venue in the heart of one of Europe's most vibrant cities, converted from the former Manchester Central railway station. Its vaulted arches and station clock have made Manchester Central an iconic city feature for over 130 years. With the capacity to handle intimate corporate functions and large-scale conferences or exhibitions, the historic architecture and state-of-the-art facilities provide the perfect venue for some of the world's leading events.

We are honoured that the Lord Mayor, Councillor Paul Murphy OBE, has kindly agreed to speak and officially welcome delegates to the city.

The Civic Welcome Reception will begin with some short speeches in the exhibition area (Exchange Hall) followed by an opportunity for delegates to network whilst enjoying a drink and some light refreshments.

Programme of events

- 1900–1920 Drinks and Canapés
- 1920–1940 Welcome Address and Speeches
- 1940–2000 Drinks and Canapés
- 2000 Close

Gala Dinner

Ticket required

Dress code: Gentlemen are requested to wear jacket and tie

Manchester Town Hall

Thursday 21 April 2016: 1945–0030

Manchester Town Hall in Albert Square is one of the most iconic landmarks in the heart of the city. Regarded as one of the finest examples of Neo-Gothic architecture in the United Kingdom, it is one of the most important Grade 1 listed buildings in England. The building was designed by architect Alfred Waterhouse and was completed in 1877. It contains many grand ceremonial rooms, such as the Great Hall, which is decorated with murals by Ford Madox Brown that illustrate the history of the city.

The Gala Dinner will commence with a drinks reception followed by dinner in the Great Hall. After some short speeches, entertainment will include music by Manchester-based band The Audiopimps, who are set to entertain with a lively mixture of current pop-rock and classic party tunes.

Programme of events

- Drinks Reception
- Dinner
- Speeches
- Entertainment, music and dancing

PLENARY SPEAKER BIOGRAPHIES

Alejandro Arenas-Pinto is a Senior Clinical Research Associate in the UCL Research Department of Infection and Population Health and MRC Clinical Trials Unit at UCL. Trained in Infectious Diseases and Tropical Medicine in Venezuela and the UK, he completed his PhD in 2006 at UCL. Since 2007 he has been involved in a number of national and international clinical trials on HIV treatment. Currently, Alejandro is Chief Investigator for the START trial and all sub-studies in the UK as well as Medical Officer for the London ICC and protocol team member.

David Asboe is Clinical Director of HIV Medicine and Sexual Health at Chelsea and Westminster Hospital, London. He has been Chair of the British HIV Association since 2013 and is also Convenor of the Diploma in HIV Medicine examination run by the Worshipful Society of Apothecaries.

Fabiola Bayavuge is a Black African working with BHA for Equality in Health and Social Care as a community development and engagement worker. Her experience is in HIV support and advice, HIV prevention within Black and minority ethnics, HIV prevention in England within Black African communities and in French-English HIV prevention helpline advice. Fabiola is a member of a national HIV treatment advocacy group called UK-CAB and holds an MSC in Public Health.

Sanjay Bhagani is a Consultant Physician in Infectious Diseases and HIV Medicine at the Royal Free Hospital, London and Honorary Senior Lecturer in Infectious Diseases at University College London. After completing his postgraduate training in Infectious Diseases and Internal Medicine in London, he joined the Royal Free Hospital as a Consultant Physician, where he established and is the current lead of a multi-disciplinary HIV/hepatitis co-infection service. This is a tertiary referral service at the forefront of service delivery in all aspects of HIV/viral hepatitis co-infection, ranging from access to Phase 2/3 clinical trials for new agents to joint liver transplant assessment and post-transplant care. His team's research interests include epidemiological, virological and clinical aspects of acute HCV amongst HIV-positive MSM; use of non-invasive tests for liver assessment in resource-rich and resource-limited settings; implementation and clinical research in the management of viral hepatitis and HIV co-infection in resource-limited settings; and Phase 2/3 clinical trials for new agents for treating HCV and HBV. Sanjay is the current Chair of the British HIV Association's Viral Hepatitis Group and serves on the HIV/hepatitis guidelines subcommittees for both the British HIV Association and the European AIDS Clinical Society. He serves on the editorial boards of *AIDS Research and Therapy* and *BMC Hepatology, Medicine and Policy* and is a trustee at AIDSOrphan.

Marta Boffito trained in General Medicine and Infectious Diseases at the Universities of Turin, Italy and San Francisco, USA. She obtained her PhD in 2004 at the University of Liverpool with a thesis on the pharmacokinetics and pharmacodynamics of antiretroviral therapy. Currently, she is a Consultant Physician (Chelsea and Westminster Hospital), Clinical Lead in Clinical Trials (St. Stephen's AIDS Trust), and a Reader (Imperial College), where, in addition to her clinical duties, she is heavily involved in numerous research projects.

Michael Brady is a Consultant in Sexual Health and HIV at King's College Hospital, London and the Medical Director for Terrence Higgins Trust. He has a particular interest in HIV testing, prevention and transmission and has been involved in a number of projects to develop and evaluate novel HIV testing strategies including community and outreach point of care testing, on-line home HIV and STI sampling, and HIV self-testing.

Valentina Cambiano is a Research Statistician in the HIV Epidemiology and Biostatistics Group led by Professor Andrew Phillips and Professor Caroline Sabin, within the Department of Infection and Population Health, University College London. She received her MSc in Biostatistics at the University of Milano-Bicocca and she completed her PhD at University College London. Her research interests include modelling HIV epidemics, to investigate the impact of improvements in HIV testing, earlier ART initiation, use of oral PrEP and introduction of new diagnostics.

Duncan Churchill has been a Consultant at the Royal Sussex County Hospital in Brighton since 1999. He trained at Oxford University and at the Middlesex Hospital Medical School, and trained in HIV Medicine at the Middlesex and St Mary's Hospitals. He is currently Honorary Treasurer of BHIVA, Chair of the BHIVA Guidelines subcommittee, and past Chair of the Antiretroviral guidelines writing group.

Graham Cooke is a Clinical Academic based at the St Mary's Campus of Imperial College London. He is Lead for the Clinical Workstream of the MRC-funded Stratified Medicine Programme in Hepatitis C and Chief Investigator on the STOPHCV-1 trial. He has a research programme which covers diagnostic development and evaluation, epidemiology and informatics in relation to HIV and HCV.

PLENARY SPEAKER BIOGRAPHIES

Valerie Delpech is a Medical Epidemiologist based at Public Health England and leads a team of scientists and data managers to monitor the HIV epidemic and quality of care people living with HIV receive in the United Kingdom. Valerie's research interests focus on better understanding the epidemiology of HIV and STIs, and public health interventions to prevent these infections among vulnerable populations. She serves on a number of national and international committees in relation to HIV public health monitoring, prevention and policy development and is an executive trustee for the National AIDS Trust.

Rashida Ferrand is a Reader in International Health at the London School of Hygiene and Tropical Medicine. She is based in Southern Africa where conducts research studies on chronic complications of HIV infection in older children and adolescents, with a particular focus on chronic lung and cardiac disease. Her other research focus is on interventions to improve access to HIV testing and care among adolescents. Rashida is an Honorary Consultant Physician in HIV Medicine at St Bartholomew's Hospital, London.

Julie Fox is an HIV Consultant and Research Lead in HIV Clinical Trials at Guy's and St Thomas' Hospital. Her main research interests are primary HIV infection, PrEP, HIV reservoirs and treatment toxicities. She has an MD in HIV transmission and is a member of the PEP Guidelines committee and the National Research Reservoir Group (CHERUB).

Lucy Garvey is a Consultant in HIV/GU Medicine at St Mary's Hospital, Imperial College Healthcare NHS Trust, London. She completed an MD(Res) at Imperial College in 2011, researching HIV-related brain disease, and her current interests include the management of non-infectious liver disease in HIV-infected adults.

Yvonne Gilleece is a Consultant in HIV and Genitourinary Medicine at Brighton and Sussex University Hospitals NHS Trust, where she is Joint Principal Lead Consultant, and an Honorary Senior Lecturer at Sussex University. She has a special interest in HIV and Women and is Steering Group Lead for SWIFT. She is the Lead for HIV in Fertility, Conception and Pregnancy and also specialises in HIV and Hepatology in Brighton. She is Vice Chair of the BHIVA HIV in Pregnancy guidelines (2014) and the upcoming update of the BHIVA/BASHH Sexual and Reproductive Health guidelines. Yvonne regularly publishes clinical research and presents data nationally and internationally.

Robert James teaches law at Birkbeck, University of London and has researched the law around disease transmission in Europe. He is a patient representative at the Lawson Unit in Brighton and has been involved in treatment advocacy in haemophilia, hepatitis C and HIV for over 20 years. In that time he has injected, swallowed and inhaled mountains of prescribed medicines but still has the same medical conditions he started with.

Patrick Kennedy is a Clinical Senior Lecturer and Consultant Hepatologist at Barts and The London School of Medicine and Dentistry. His research in immune-mediated liver damage and progressive liver disease, particularly in viral hepatitis, is known internationally. He is widely published in the field of hepatology, and has produced novel work redefining disease categorisation and investigating the role of individualised treatment strategies for chronic hepatitis B virus. Patrick has a special interest in liver disease in young people and runs a dedicated young adult hepatology clinic at the Royal London. In addition, he has a specialist expertise in liver disease in elite sports people, including working with premiership football clubs and managing viral hepatitis in professional athletes. Patrick is a member of the viral hepatitis clinical guideline committee for NICE and provides expert opinion for the United Kingdom Advisory Panel on blood-borne viruses.

Saye Khoo is Hon Consultant Physician in Infectious Diseases at the Royal Liverpool University Hospital, and Professor in the School of Honorary Consultant Physician in Infectious Diseases at the Royal Liverpool University Hospital, and Professor in the School of Biomedical Sciences at the University of Liverpool. Saye's research focuses on the pharmacology of HIV treatment failure and how therapy may be improved by individualised care through an understanding of why drug exposure varies markedly between individuals (and the role of individual characteristics such as weight, gender, host genetics and drug interactions), and identifying vulnerable groups who are at particular risk of failure or toxicity. These studies span bench science, through translational research and into the clinic, and onwards to population-based modelling approaches.

Margaret Kingston has been a Consultant Physician in Genitourinary Medicine at Central Manchester Foundation Trust since 2003. With multi-disciplinary colleagues she established the trust HIV antenatal service in 2006, which manages a complex cohort of patients. Margaret is lead author of the UK guidelines for the management of syphilis (2015 and 2008) and a member of the BASHH Clinical Effectiveness Group and board. Margaret is also Training Programme Director for GUM in her region and Associate Medical Director for Medical Education at her trust.

PLENARY SPEAKER BIOGRAPHIES

Charles Lacey is Professor of Medicine at Hull York Medical School, University of York; one of the PIs at the Centre for Immunology and Infection, Department of Biology, University of York; and Honorary Consultant Physician at York Teaching Hospital NHS Trust. Charles previously worked at Imperial College London, and the Leeds General Infirmary. He is a Medical Clinical Academic, looking after patients and conducting research. His research areas include clinical and translational research in HPV, HIV and *Chlamydia trachomatis*.

Sebastian Lucas has spent three decades as a Histopathologist, studying the clinical pathology of HIV/AIDS in the UK and Africa. His main concerns have been making best use of biopsy and autopsy material to further diagnostics, better patient management, and for research.

Nicola Mackie is a Consultant Physician and Head of Specialty for HIV at Imperial College Healthcare NHS Trust (ICHNT). Her research was in the field of HIV-1 drug resistance and she runs the weekly Virtual Clinic at ICHNT. Nicola is also the Clinical Lead for the HIV Women's Service at Imperial.

Ula Mahadeva graduated in medicine and also obtained an intercalated BSc in Basic Medical Sciences and Molecular Biology from University College London. She entered Histopathology directly after house jobs in medicine and surgery and was a trainee on the North Thames rotation. She obtained the Diploma in Cytopathology before taking up a substantive Consultant post at Guy's and St Thomas' NHS Foundation Trust, where she has been since 2002. Ula's areas of sub-specialisation are gastro-intestinal histopathology, gynaecological and non-gynaecological cytopathology, consented and maternal death autopsies, and infectious disease histopathology. She is known within the department and region for her enthusiasm for teaching and training, including helping trainees with preparation for the FRCPath examination, and is an RCPATH examiner.

Alexander Margetts has worked as a Clinical Psychologist in HIV and sexual health at Chelsea and Westminster Hospital for the past 7 years, and is also currently the Chair of the British Psychological Society (BPS) Faculty for HIV and Sexual Health. Therapeutically, he works predominately from a Cognitive Behavioural Therapy (CBT) background, and also leads on Neuropsychology for the service. Alongside clinical work, Alexander's role includes service development, supervision, teaching, training and consultation.

Margaret May is Professor of Medical Statistics in the School of Social and Community Medicine, Bristol University. She has co-led the Antiretroviral Therapy Cohort Collaboration (ART-CC) which was set up to examine prognosis for clinical events in patients starting ART in Europe and North America. She has collaborated with UK CHIC to publish on life expectancies of HIV-positive people in the UK, and has an active interest in increasing HIV testing and diagnosis in GP settings. Currently Margaret is investigating how quality of HIV care can be improved by effective monitoring.

Esther McDonnell has worked as an Occupational Therapist in HIV care for over 10 years in both Australia and the UK. This has included acute hospital wards, a long-term care facility for people with HIV-associated dementia, and a community rehabilitation team. She is currently a Specialist Occupational Therapist at Chelsea and Westminster Hospital, and Chair of the Rehabilitation in HIV Association (RHIVA) since 2013. Esther has presented at AIDS 2010 about rehabilitation in international contexts, as well as at the World Federation of Occupational Therapists Conference.

Angelina Namiba has over 16 years' experience of working in the HIV sector on initiatives ranging from providing one-to-one support to people living with HIV; to managing service provision; to facilitating, promoting and advocating for the involvement of women living with HIV in forming and informing local and national strategy and policy. She also works with adolescents and young people living with HIV, where she supports them around various issues and coping strategies including HIV Treatment Literacy and general well-being around living with HIV. Angelina is passionate about advocating for the sexual health and reproductive rights of women living with HIV. From 2012–2015 she managed the project From Pregnancy to Baby and Beyond (www.positivelyuk.org/pregnancy_and_beyond.php), which provided information, emotional and practical peer support to pregnant women living with HIV, men living with HIV and their sero-different partners. One of her greatest hopes for the future is for the day when treatment for HIV will be available, affordable and accessible to all those who need it globally.

Mark Nelson is a Consultant Physician at the Chelsea and Westminster Hospital, London. He trained at Jesus College, Cambridge and Westminster Hospital Medical School, where he qualified in 1986. He was appointed Consultant Physician at Chelsea and Westminster in 1991, and is presently the Lead for HIV in Patient and Day Case Care. He is Professor of HIV Medicine at Imperial College Medical School where he is also the Deputy Senior Tutor. Mark has built a large HIV practice with a special interest in HIV in patient care, co-infection with hepatitis B and C, and the clinical utility of new antiretroviral agents. He has published over 500 papers on HIV and hepatitis.

PLENARY SPEAKER BIOGRAPHIES

Chloe Orkin is Consultant and Honorary Reader in HIV Medicine at the Royal London Hospital and runs an HIV and HIV/hepatitis C research unit. She has 70 peer-reviewed publications and co-authored four British HIV Association guidelines: ARVs, Hepatitis, Malignancy and Routine Monitoring. Chloe is External Examiner to the Diploma in HIV Medicine. She is researching ways of implementing HIV and blood-borne virus testing.

Turner Overton serves as the Medical Director of the UAB 1917 HIV Clinic, where his clinical focus involves the improvement of health care delivery to the patients living with HIV and HCV. He is the Site Leader for the AIDS Clinical Trial Unit at UAB and currently serves as the Vice Chair of the End Organ Disease/Inflammation Transformative Science Group for the AIDS Clinical Trials Group. Turner's research interests focus on the long-term complications of HIV, particularly the interface between persistent inflammation and immune activation as they relate to the increasing prevalence of comorbidities seen among HIV-infected persons.

Nikhil Premchand graduated from the medical school at Newcastle University in 2000 and trained in infectious diseases in the Northern Deanery. He became a consultant in 2010 and after working at the RVI until 2012. He moved to this trust to set up a clinical infection service, in addition to working as an acute care physician at North Tyneside and Wansbeck hospitals. Nikhil's particular interests are in HIV and antimicrobial stewardship and he won a 2013 UK and Ireland Gilead Fellowship to develop an HIV Telemedicine service. He was also part of the core team who developed an antibiotic prescribing android and apple app for staff at this trust. Nikhil is the lead for the development of a bone and joint infection service that will consolidate the multi-disciplinary excellence that already exists within the trust to optimise the care for patients with such infections.

Iain Reeves is Lead Clinician for HIV at the Homerton Hospital. He is Principal Investigator on a number of research studies and is the chair of the North-East London and Essex Clinical Network for HIV (NELENET).

Alison Rodger is Reader in Infectious Diseases at University College London and Consultant in Infectious Diseases and Director of Public Health at the Royal Free Hospital in London. Alison is a co-author of BHIVA guidelines on Hepatitis Co-infection, Immunisation, Pre-exposure and Post-exposure Prophylaxis. Alison is also the PI on the PANTHEON NIHR programme grant, looking at cost-effectiveness of HIV prevention and testing strategies, including HIV self-testing, among MSM in the UK.

Gabriel Schembri graduated from the University of Malta as a Medical Doctor in 2001. He moved into Dermato-Venereology from General Medicine in 2006, working with a number of UK-trained physicians and gaining valuable experience in both sexual health and dermatology. Gabriel subsequently moved to the UK and trained in Genitourinary Medicine in Leicester. He is currently employed by the Central Manchester Foundation Trust as a Consultant in Genitourinary Medicine and is also the Research Lead; he also runs a monthly joint HIV renal clinic along with his renal colleagues. Gabriel is a BHIVA trustee and Chair of the BHIVA website working group.

Shema Tariq is a Postdoctoral Clinical Research Fellow at UCL's Centre for Sexual Health and HIV Research and Honorary Consultant at Mortimer Market Centre. Her main area of interest is the reproductive and post-reproductive health of women living with HIV, and she has been closely involved with SWIFT since its inception. Shema's academic experience includes doctoral research exploring engagement with HIV care during pregnancy, and a Fulbright Scholarship to Columbia University to analyse data on late HIV diagnosis in KwaZulu-Natal. Shema is currently leading the PRIME Study, an NIHR-funded study investigating the impact of the menopause on HIV-positive women's health and wellbeing.

Lisa Thorley holds a PhD in Development and Economics and is a social science researcher with interests in development thinking that pertains to women and also HIV, both in the Global North and South. She has recently been involved in the qualitative element of the UK STIGMA Index 2015 project. Moreover, Lisa is an active advocate within the HIV community and is a Director and Trustee for the Terrence Higgins Trust.

Claire Thorne is a Reader in Infectious Disease Epidemiology at the University College London Institute of Child Health. She read Human Sciences at Oxford University and then studied for a Masters at the London School of Hygiene and Tropical Medicine, followed by a PhD in Epidemiology at UCL. Claire's research has a focus on maternal and child health, with a particular emphasis on HIV and viral hepatitis. She has been carrying out research on HIV in pregnant women and children for over 20 years, and leads several HIV cohort studies in Western and Eastern Europe.

PLENARY SPEAKER BIOGRAPHIES

Andrew Ustianowski is a Consultant Physician in Infectious Diseases at the North Western Regional Infection Unit, North Manchester General Hospital, which is one of the largest treatment centres for HCV in the UK (and one of the largest for HIV and HBV). He is Chair of the British Viral Hepatitis Group, has been part of guideline writing committees for BHIVA and other bodies, lectures widely on hepatitis, HIV and related topics, and is part of several national and international educational steering groups. He has been a member of the NHS England Clinical Reference Group for Infectious Diseases and for HCV. Andrew graduated from Guy's Hospital, London, and subsequently trained in Infectious Diseases, Tropical Medicine, HIV and General Medicine in the London region.

Laura Waters is a Consultant at The Mortimer Market Centre in London where she is HIV and Hepatitis Service Lead. She was Vice-chair of the 2015 BHIVA ART guidelines and now chairs this group; she is Vice-chair of the BHIVA Conferences subcommittee and Chair of the BASHH HIV SIG. Laura has an MD in ARV simplification and switch and is Principal Investigator for several first-line and switch studies at Mortimer Market.

Shaun Watson has worked in HIV and Palliative Care since 1991 as Ward Manager at Mildmay and Trinity Hospice and since 2003 as a Clinical Nurse Specialist (HIV Community) for City and Hackney, Hammersmith and Fulham and Westminster, London. He is a member of the Executive Board of NHIVNA, Editorial Board of the HIV Nursing Journal and Chair of the Triborough HIV Providers Forum.

For the treatment of HIV, choose a

DOLUTEGRAVIR-BASED REGIMEN

One core agent. Many different patients.

Simplicity of dolutegravir
in a single-pill regimen

Flexibility to build a
tailored treatment regimen

www.dolutegravir.com

TRIUMEQ is indicated for the treatment of HIV-infected adults and adolescents above 12 years of age weighing at least 40 kg.

Before initiating treatment with abacavir-containing products, screening for carriage of the HLA-B*5701 allele should be performed in any HIV-infected patient, irrespective of racial origin. Abacavir should not be used in patients known to carry the HLA-B*5701 allele.

TIVICAY is indicated in combination with other antiretroviral medicinal products for the treatment of HIV-infected adults and adolescents above 12 years of age.

Prescribing Information

Triumeq ▼ dolutegravir 50mg/abacavir 600mg/lamivudine 300mg tablets

See Summary of Product Characteristics before prescribing.

Indication: HIV in over 12 years and ≥ 40 kg. Screen for HLA-B*5701 prior to use. Do not use if HLA-B*5701 positive. **Dose:** one tablet once daily with or without food. **Elderly:** Limited data in 65+ yrs. **Creatinine clearance** <50ml/min or moderate/severe hepatic impairment: Not recommended. **Contraindications:** Hypersensitivity to any ingredient. Co-administration with dofetilide. **Warnings/precautions:** Both abacavir and dolutegravir are associated with risk of hypersensitivity reactions (HSR). Do not initiate in HLA-B*5701+ or previous suspected abacavir HSR. Stop Triumeq without delay if HSR suspected. Never reintroduce any dolutegravir- or abacavir-containing product after suspected HSR. Risks of lactic acidosis, lipodystrophy, immune reactivation syndrome, osteonecrosis. Monitor LFTs in Hepatitis B/C co-infection. Inconclusive data on relationship between abacavir and MI; minimise all modifiable CV risk factors (e.g. smoking, hypertension, hyperlipidaemia). Not recommended if dolutegravir required b.d. (with efavirenz (without boosted PI), efavirenz, nevirapine, rifampicin, boosted tipranavir, carbamazepine, oxcarbazepine, phenytoin, phenobarbital and St John's Wort). Use with cladribine not recommended. Use with Mg/Al-containing antacids, calcium, multivitamins or iron requires dosage separation. Caution with metformin: monitor renal function and consider metformin dose adjustment. Caution with ribavirin. **Pregnancy/lactation:** Not recommended. Avoid breast-feeding. **Side effects:** See SPC for details. Headache, insomnia, sleep/dream disorders, GI disturbance, fatigue, hypersensitivity, anorexia, depression, dizziness, somnolence, lethargy, malaise, cough, nasal symptoms, rash, pruritus, alopecia, arthralgia, muscle disorders, asthenia, fever, elevations of ALT, AST and CPK, blood dyscrasias, suicidal ideation or suicide attempt, rhabdomyolysis, erythema multiforme, Stevens-Johnson syndrome, toxic epidermal necrolysis. **Basic NHS costs:** 30 tablets: £798.16 EU/1/14/940/001. MA holder: ViiV Healthcare UK Ltd, 980 Great West Road, Brentford, Middlesex TW8 9GS. Further information is available from Customer Contact Centre, GlaxoSmithKline UK Ltd, Stockley Park West, Uxbridge, Middlesex UB11 1BT.

Tivicay ▼ dolutegravir 50 mg tablets Prescribing Information

See Summary of Product Characteristics before prescribing

Indication: HIV in > 12 years and ≥ 40 kg as part of combination therapy. **Dosing:** 50 mg once daily with or without food if no proven/suspected integrase resistance. 50 mg twice daily with efavirenz, nevirapine, tipranavir/ritonavir, efavirenz (without boosted PI), carbamazepine, oxcarbazepine, phenytoin, phenobarbital, St John's Wort or rifampicin. **Adults with proven/suspected integrase resistance:** 50mg twice daily preferably with food. **Elderly:** Limited data in 65+ yrs. Caution in severe hepatic impairment. **Contraindications:** Hypersensitivity to any ingredient. Co-administration with dofetilide. **Warnings/precautions:** Risk of hypersensitivity reactions. Discontinue dolutegravir and other suspect agents immediately if suspected. Risks of osteonecrosis, immune reactivation syndrome. Monitor LFTs in Hepatitis B/C co-infection and ensure effective Hepatitis B therapy. Caution with metformin: monitor renal function and consider metformin dose adjustment. Use with efavirenz requires boosted PI or increased dose of dolutegravir. Use with Mg/Al-containing antacids, calcium, multivitamins or iron requires dosage separation. **Pregnancy/lactation:** Not recommended. Avoid breast-feeding. **Side effects:** See SPC for full details. Headache, GI disturbance, insomnia, abnormal dreams, depression, dizziness, rash, pruritus, fatigue, elevations of ALT, AST and CPK, hypersensitivity, suicidal ideation or suicide attempt. **Basic NHS costs:** 30 tablets £498.75 EU/1/13/892/001.
