

## **BHIVA BASHH Community Registration Support**

The support will cover:

- the conference registration fee.

Criteria for application:

- Open to application by representatives of UK-based community organisations who are registered charities and/or who are members of the UK-CAB (UK Community Advisory Board) – see website for joining instructions <https://ukcab.net>.
- If an organisation meets neither of these criteria, then they can put forward representation for consideration by the Committee.
- If the organisation has not registered for BHIVA or BASHH conferences previously, then a representative's registration form needs to be accompanied by a brief résumé of the aims and objectives of your organisation on headed paper.
- Community registration places are limited and will be allocated as fairly as possible, with a maximum of two registrations per community organisation.

How to apply:

- Applications to be made during the registration process. Please follow the registration link, select the registration category 'I wish to apply for a Scholarship'. Then select 'BHIVA BASHH Community Registration Support' on the subsequent page.
- You will then be asked to provide a written statement confirming that your organisation meets the above criteria or, if not, putting forward representation for consideration by BHIVA and BASHH.

Applications must be received by midnight on Friday 20<sup>th</sup> February 2026.

- If you are not successful, your registration will be changed to a 'community registration' place and you will be required to pay the earlybird community registration fee or cancel your registration.

Successful community registrants will be required to pay the full applicable registration fee post conference if they fail to attend the conference or provide 14 days' notice of their cancellation.
